Birthday Promotion Rules

Why so much fine print?

Since this immensely popular Rusty Nail birthday offer was introduced in 2012, we have learned a lot and fine-tuned the guidelines. Here is what works and allows us to expand the promo to Bentley's Tavern:

✓ Birthday celebrant must be at least 21 and the offer is good only on the person's **ACTUAL BIRTHDAY**. Photo ID is required.

✓ WING RULES:

You can have your choice of 4 flavors.

Wings can't be taken home. Initial quantity is based on party size. For example, if someone turns 50 and is with one other person, we will bring out 20 wings and if they want more, we'll bring additional ones.

✓ Blue cheese and veggies are an additional charge.

✓ The birthday celebrant is welcome to purchase a beer from our entire draft selection, a Blue Hawaiian Birthday Cocktail or a fountain soda. The beverage of choice is served in a **32-ounce Bentley's birthday stadium cup** and it can be refilled once at no charge.

You can keep the cup.

Beverage prices for the birthday celebrant:

Beer from \$7.75 to \$11.75 depending on brand, Blue Hawaiian Cocktail is \$9.75 and soda is \$4.

✓ **An 18% GRATUITY based on the total check VALUE IS ADDED TO BIRTHDAY TABS.**

We do this out of consideration for our staff.

✓ Due to the popularity of the birthday offer we cannot do separate checks. But we can take multiple forms of payment if members of the party want to split the check.

✓ Cannot be combined with any other discount offer. Cannot earn Bentley's Bucks rewards.

✓ Please bring a designated driver.

✓ This birthday promotion can be revised or discontinued at any time.

Birthday
